A license may be subject to suspension or revocation if three or more validated public safety complaints or license violations occur within any twelve-month period. Additionally, singular incidents of serious public safety complaints resulting in bodily harm, discharging of firearms, serving alcohol to minors, or exceeding licensed occupancy by 200 or more percent shall be grounds for suspension or revocation.

Prior to suspension or revocation, the Council shall conduct a public hearing with at least fourteen days written notice.  
Following the hearing, the Council may dismiss the matter, issue a warning, suspend the license, or revoke the license.

A revoked property shall be ineligible for relicensing for one year unless otherwise authorized by the Town Council.

Operating without a valid license, failing to display a license number, or violating this ordinance shall result in a civil penalty of \$500 per violation. Each day constitutes a separate violation.

**SECTION 12. USE OF PROCEEDS.**

All revenues derived from lodging taxes and license fees shall be deposited into the General Fund and may be used for any lawful municipal purpose.

**SECTION 13. SEVERABILITY.**

If any portion of this ordinance is held invalid, the remaining provisions shall remain in effect.
